My Own Darling Wifie:

Just received your darling letter of Wednesday, and boots love, you have no idea how happy I am to think that one week from to-day, you will be here with me, please God, and nuddling closely in my arms. Oh, tootsie mine, I assure you, I am dog-gone impatient for the time to come! Sweetheart mine, just to give you a good, solid kiss! Believe me, I'd give anything ~~an~~ for it, but anyhow, please God, next Saturday in this time, I'll be with and ol, boy, won't I be happy! no quit, remember!

Sweetheart I am continually hoping and praying that nothing crops up to prevent you leaving on the 8th. Sure do hope that Mr. Swallows absence does not in any way hinder you in your plans. Don't get discouraged or provoked, lovie, simply because things seem to come in bunches. Remember what I told you, don't worry too hard, and take good care of yourself, hear? Certainly was glad "it" gradually disappeared. Honey love, do that for me. Take good care of yourself and don't become overwrought.

Certainly am glad that mondea is so improving. Sure do hope that she is out of the hospital to-day. Sure would like her to get over her nervousness. Admonish her to take care of herself and not to worry, as I still am on the look-out for something. Remember me to her and give her my love.

As for the furniture, just ~~assumed~~ I will do what is best. You see, you will have a nice new, (brand new) house, and in the bathroom they put in a shower bath. To-morrow I will be home all day, helping to clean up the place so that might hinder my writing you to-morrow. I'll try and write, though, but you

can just imagine how busy I'll be.

Remember sweetheart, take good care of yourself and don't work too hard.

Must close now, francois, with all my love, hugs and kisses, to you, my darling, sweetheart wifie,

Ever lovingly,

Joy
